Registration Fee

An annual non-refundable fee must be paid at the time of enrollment. The registration fee equals the same amount as one month's tuition but is a separate fee from the monthly tuition.

*Returning families have the option to pay half of the registration fee at the time of registration with the balance due by June 1, 2023.

Tuition

There are nine tuition payments for the school year starting in August and ending in April. Tuition is not reduced due to absences or school closures. Families who enroll in the school year after August will make a half-month payment in May.

The first payment for the 2023-2024 school year is due on August 1st. All monthly tuition payments are due the first of each month with a 15-day grace period.

Tuition payments are made through Brightwheel. Families with more than one child enrolled at the school will receive a \$5 per month tuition discount on the younger sibling's/siblings' tuition.

Curriculum Fee

A one-time curriculum fee is due for all PK students by August 1, 2023 and can be paid through Brightwheel.

Scholarships

Scholarships are available for preschool families with short-term and long-term financial needs. For a scholarship application or more information, please contact the preschool director.
